

FAQ'S CHILDREN'S QUIZZING!

Q What is Children's Quizzing Bible study?

A It is a Bible study intended for children ages 6-12 or in 1st-6th grade. Each study has 20 lessons (called Dig Sites) dedicated to the study of an entire book of the Bible. This Bible study provides the body of information that is used as the basis for children's quizzing competition.

Q What are the books in the Children's Quizzing Bible study series?

A *Studies in Genesis* (2007-08)
Studies in Exodus (2008-09)
Studies in Joshua/Judges (2009-10)
Studies in 1 & 2 Samuel (2010-11)
Studies in Matthew (2011-12)
Studies in Acts (2012-13)

Q Why were the above books chosen?

A These six books were chosen because together they give the overall chronology of God's chosen people, the Israelites, and a "snapshot" of the Bible. The series begins with the Creation account (in Genesis) and concludes with the story of how the gospel of salvation came to the Gentiles (Acts).

Q How does this Bible study work?

A *Studies in Genesis: Journey into Genesis* is Bible study -- kid's style! There are major lesson sections dedicated to active learning. Kids get into Genesis and learn what the Bible says. Activities are specifically geared to help children immerse themselves in the ancient world, learning learn *what it was like* to live in the days of the people being studied. Each week children build their spiritual vocabulary as they incorporate FAITH WORDS into their everyday lives. Characteristics of God's nature and character are revealed in each weekly Dig Site to help children to learn what God is like and how He interacts with people.

Q What is the theme of *Studies in Genesis*?

A *Journey into Genesis* is the theme for *Studies in Genesis*. Through inductive Bible study and fun activities, Dr. Digalot and Canteen "time warp" back to the very beginning of time and journey from creation through the lives of the patriarchs.

 **Will there be a new theme each year?**

 Yes. Each of the six years of Children's Quizzing Bible study includes a new theme and adventure for Dr. Digalot and Canteen the Camel.

 **Who are Dr. Digalot and Canteen the Camel?**

 They are the mascots for Children's Quizzing. Each study has its own theme and fictional story line that feature Dr. Digalot and Canteen. The mascots are displayed throughout the leader's guide and student books and the entire Children's Quizzing line.

 **When can we use this Bible study?**
